The request from the Contracting Authority set in the Bid documentation related to the precondition for participation in the procurement was that bidder had concluded minimum of five contracts on providing public relation services with different national and/or regional tourism organisations and/or with tourism organization of major cities, that is with the relevant organisations for tourism promotion. As a proof for the fulfillment of this precondition it was requested that bidder should have submitted the reference list accompanied with the filled form – the certificate on the execution of concluded contracts.

Bidder "Millennium Public Relations ltd" 67 Hopton street, London submitted the reference list with three contracts as a proof of meeting the requirements concerning the requested references. The certificate on realisation for the destination of Meribel was signed and stamped by the company "Revolution", and the certificate on realisation for the destination Veneto was signed and stamped by the company "Mailander". In both these cases it is not clear what are the connections between the signed companies in the reference list and the bidder.

Bidder „Rooster Creative LDT" Waterloo road, London, UK , submitted the reference list with three contracts as a proof of meeting the requirements concerning the requested references. Certificates on realisation for the "Croatian National Tourist Office" and "visit st.pete/clearwater" were not stamped although there is clear request and place for the stamp in the certificate form.
