Quality guarantee: The bidder must guarantee for the professionalism and quality of its services.

Service quality control

Quality of the services will be controlled by the Contracting Authority. If any defects are identified in the services, the Contractor shall remedy such deficiencies without delay or as soon as possible after the services are found to be deficient in quality.

**4. REQUIREMENTS FOR PARTICIPATION IN THE PROCEDURE AND
INSTRUCTIONS FOR EVIDENCING COMPLIANCE WITH THE REQUIREMENTS
(Articles 75 and 76 of the Public Procurement Law)**

Requirements for participation in the procedure under Articles 75 and 76 of the Public Procurement Law

The bidder is eligible for participation in the procedure if it complies with the mandatory requirements for participation in the procedure stipulated under Article 75 of PPL and additional requirements stated by the Contracting Authority on the basis of Article 76 of PPL.

4.1 Obligatory terms

1) that it is registered with the competent authority, i.e. entered in the appropriate register (Article 75 paragraph 1, point) of the Law);

2) that it or its legal representative have not been convicted of any criminal acts as members of an organised criminal group; that it has not been convicted for commercial crimes, crimes against the environment, the offense of receiving or giving bribes, the crime of fraud (Article 75 paragraph 1, point 2) of the Law);

3) that it has paid due taxes, contributions, and other public charges in accordance with the regulations of the Republic of Serbia or a foreign country if its registered address is in its territory (Article 75 paragraph 1, point 4) of the Law);

Evidence: Statement by which the bidder confirms, under penalty of perjury, that it meets all these requirements.

4) In making its bid, a bidder is required to state explicitly that it has complied with all obligations derived from applicable regulations on safety at work, employment and working conditions, the environmental protection, as well as that no prohibition for its carrying out the activity is in force at the time of submission of the bid (Article 75 paragraph 2 Of the Law).

Evidence: Statement by which the bidder confirms, under penalty of perjury, that it meets all these requirements.

4.2 Additional requirements for participation in the procedure (Article 76 of PPL):

The bidder must have the required operating capacity, including:

1. Head office registered on the territory of the Slovenia or Croatia

Evidence: Bidder's Statement

2. Relevant references, i.e. the experience in providing PR services, meaning that the bidder in the previous three years has concluded minimum of three contracts on provision of public relations services to various national/regional/capital city tourism organisations .

Evidence: Filled reference list and form – certificate of execution of concluded contracts

A valid contract will not be recognized for the provision of public relations services to a smaller territorial unit if the contract for the provision of the same services in the same period exists at the level of the larger territorial unit to which the smaller unit belongs.

The bidder must have the required human resource capacity:

1. The bidder must engage in execution of the contract minimum two key employees with minimum three years of relevant work experience in public relation activities in the field of tourism.

Evidence: The Statement on Key Staff with phone numbers and e-mail addresses, signed and certified by a stamp.

The bidder must individually comply with the additional requirements if it submits a bid individually or with subcontractors, while a consortium must jointly comply with the additional requirements.

4.2 Requirements which must be complied with by subcontractors in accordance with Article 80 of the Law

For subcontractors, the bidder must provide evidence of compliance with the mandatory requirements under Article 75, paragraph 1, items 1), 2) and 4) of PPL and the additional requirements for participation in the procedure, which are stated under item 2) Additional Requirements for Participation in the Procedure – Operating and Human Resource Capacity.

4.3 Requirements which must be complied with by each member of a consortium in accordance with Article 81 of the Law

A bidder in a consortium must provide evidence of compliance with the mandatory requirements under Article 75, paragraph 1, items 1), 2) and 4) of PPL and the requirement under Article 75, paragraph 2 of the Law, while bidders jointly comply with the additional requirements.

Bidders are advised of the following:

Bidders can demonstrate compliance with the mandatory requirements under item 4.1 of this chapter - Mandatory requirements for participation in the procedure when submitting bids by a statement by which they confirm under threat of perjury or fraud that they comply with the mandatory requirements for participation in the procedure (text of the statement is included in chapter 6 of the Tender Documentation).

Before making a decision on the award of the contract, the Contracting Authority may request from the bidder whose bid is assessed as the most advantageous, to submit for inspection the original or a certified copy of all or of some evidence on the fulfilment of mandatory and additional requirements.

If a bidder fails to submit for inspection the original or a certified copy of requested evidence within a reasonable term that cannot be shorter than 5 days, the Contracting Authority shall reject its bid as unacceptable.

The Contracting Authority shall not reject a bid as unacceptable if it does not contain evidence specified with the Tender Documents if the bidder states the web site where data requested within the requirements is publicly available.

The bidder, or the contractor is required to notify the Contracting Authority without delay about any change related to the fulfilment of requirements from the public procurement procedure, which arises until the decision is made, i.e. entering into the contract, i.e. during the validity of the public procurement contract, and to document it in a proper way.

Foreign bidders:

If some evidence under Article 77 of the Law is not issued in the country where the bidder is headquartered, the bidder may, instead of the document, submit its own statement, given under penalty of perjury, certified by a court or an administrative body, notary public or any other competent body of that country.

5. INSTRUCTIONS TO BIDDERS

5.1 Language of bids

The Tender Documentation will be prepared in the Serbian and the English languages, while the public procurement procedure will be conducted in the Serbian.

Minutes of bid opening will be prepared in the Serbian language, while the decision on contract award will be prepared in the Serbian and the English languages. Replies to questions will be given in a language in which the question was made (Serbian or English). The contract will be signed in the Serbian and the English languages.

Documents issued by foreign competent public authorities which are originally in a foreign language must be translated into the Serbian language by a sworn-in-court translator for the Serbian language.

If during examination and evaluation of bids the Contracting Authority finds that a part of a bid submitted in a foreign language should be translated in the Serbian language, it will specify a time limit for the bidder to translate that part of the bid.

In case of dispute, the version of the bid in the Serbian language and enclosed evidence translated into the Serbian language shall prevail.

Bids with enclosed documents in a foreign language as required evidence without the original or a copy of certified translation can be **rejected as unacceptable** due to a material deficiency in accordance with Article 106, paragraph 1, item 5 (the bid contains a deficiency due to which is not possible to determine the actual contents of the bid or to compare it with other bids).

5.2 Special requirements regarding the manner of preparation of bids

The bid must contain:

1. All parts of the bid form, completed, signed by the bidder and certified by a stamp (contained in chapter 6 of the Tender Documentation, including the following forms: 6/1- bidder information, 6/2 – manner of submission of bid, 6/3 – subcontractor information, 6/4 – consortium member information, 6/5 - form of quotation with price structure, while parts 6/3 and 6/4 of the bid form do not have to be signed if the bidder submits the bid individually);

2. Evidence of compliance with mandatory and additional requirements under Article 75 of the Public Procurement Law (hereinafter referred to as “PPL”) in the manner specified in the Tender Documentation for the bidder, consortium members (if the bid is submitted by a consortium) and subcontractors (if execution of the procurement will partially be entrusted to a subcontractor), while evidence which must be enclosed to the bid is specified in chapter 4 of the Tender Documentation;

3. Statements and annexes contained in forms which constitute integral parts of the Tender Documentation, completed, signed by the bidder and certified by a stamp (contained in chapter 6 of the Tender Documentation), while filling in and signing of the *Costs of Bid* form is not mandatory;

4. Model contract, completed and signed

Costs of preparation and submission of bids will be exclusively borne by bidders.

The bidder cannot request from the Contracting Authority to reimburse costs of preparation of the bid.

5.3 Notification to bidders about the duty under Article 75, paragraph 2 of PPL

When preparing the bid, the bidder must expressly indicate that it has complied with the duties under applicable regulations on occupational safety and health, employment and working conditions and environment protection, as well as that there is no injunction in force at the time of submission of bids banning it from conducting business activities. The Statement forms (for the bidder and consortium members) constitute an integral part of Tender Documentation.

5.4 Preparation of bids

Bids must be fully prepared in accordance with the Public Procurement Law, invitation to bid and the Tender Documentation.

The bidder must submit the bid in writing.

The bid must be prepared in such a manner to allow determining of its actual content and comparing it with other bids. Otherwise, the bid will be rejected due to material deficiencies.

The bid should be submitted in the forms contained in the Tender Documentation.

Bidders must fill in legibly forms and statements given in the Tender Documentation, while their authorised officers must sign them and certify them by a stamp.

If stamps are not used in commercial transactions in the bidder’s country, the bidder can sign forms, statements and the model agreement which constitute integral parts of the Tender Documentation and submit them without a stamp.

Any possible mistakes made during filling in of forms in the Tender Documentation and corrected by ink deleter or in handwriting must be certified by a stamp and signature of the responsible officer.

The bid must demonstrate compliance with mandatory and additional requirements, as well as special requirements of the Contracting Authority regarding the circumstances which determine the bid’s eligibility.

5.5 Downloading of Tender Documentation and time limit for submission of bids

The Tender Documentation is available at:

Public Procurement Portal portal.ujn.gov.rs;

Contracting Authority’s website: www.serbia.travel

Bidders submit their bids in person or by mail.

Regardless of the manner of submission of the bid, the bidder must ensure that the bid is received

at the Contracting Authority's address by **31 May 2018 until 11:00AM**.

Bids shall be submitted by mail or in person at the address: National Tourism Organisation of Serbia, Cika Ljubina 8, Belgrade, the second floor, Financial Service. Bidders shall submit their bids in an envelope/box closed in such a manner to ensure that it is evident that their bids are opened for the first time during opening of bids.

The bidder must glue the Enclosed Form (contained in Chapter 6 of the Tender Documentation) to an envelope/box, where it enters information on its exact name, address, phone and fax numbers, e-mail and contact name and surname.

Bids which are not received by the Contracting Authority by the date and hour specified in this invitation will be considered untimely.

Upon completion of public opening of bids, the Contracting Authority will return to bidders untimely submitted bids unopened.

The bidder can submit only one bid. The time limit for submission of bids expires on **31 May 2018** at 11:00AM.

Place, time and manner of opening of bids: opening of bids is public and will take place on **31 May 2018** at 11:15AM at the National Tourism Organisation of Serbia, Belgrade, Cika Ljubina 8, first floor, conference hall.

Conditions under which representatives of bidders can participate in the procedure of opening of bids: Only authorised representatives of bidders can actively participate in the procedure of opening of bids, who must provide the Contracting Authority's Committee with a power of attorney in writing for participation in opening of bids before beginning of public opening of bids, by which they demonstrate that they are authorised to participate in the procedure.

5.6 Manner of modifying, supplementing and withdrawal of bids within the meaning of Article 87 paragraph 6 of the Law

A bidder may modify, supplement or withdraw his bid at any time before the expiry of the time limit for bid submission by providing written notice marked "Bid Modification", "Bid Supplementation" or "Bid Withdrawal" for public procurement No. SVPP 9/2018. The bidder must clearly specify which parts of the bid are subsequently modified or which documents are subsequently provided. After the expiry of the time limit for bid submission, bidders cannot modify, supplement or withdraw their bids.

5.7 Notice to bidders that bid independently that they cannot at the same time be part of a consortium or bid as a subcontractor or be a member of multiple consortiums

A bidder that bids independently cannot at the same time be part of a consortium or bid as a subcontractor or be a member of multiple consortiums. The bidder must specify in the Bid Form how the bid is submitted, i.e. whether he bids independently, as a member of a consortium or as a subcontractor.

5.8 Bids with subcontractors

Bidders who bid with subcontractors must:

- State in the Bid Form the subcontractor's full business name and address, the percentage of the total procurement value that would be subcontracted, which may not exceed 50%, and the part of the supplies which would be provided through the subcontractor;
- Provide evidence of compliance with the requirements set out in section 4.2 of the Tender Documentation in respect of each of its subcontractors.

If a Public Procurement Contract is concluded between the Contracting Authority and a bidder who bids with a subcontractor, such subcontractor shall be designated in the Contract.

The chosen bidder will be fully liable to the Contracting Authority for compliance with the contractual obligations, regardless of the number of its subcontractors.

The bidder shall give the Contracting Authority access to its subcontractors for the purpose of verifying compliance with the eligibility requirements.

5.9 Consortium bids

A bid may be submitted by a consortium. A consortium bid must incorporate by reference an agreement by which members of the consortium undertake in respect of one another and in respect of the Contracting Authority to carry out the public procurement, which agreement must include the following information:

- The lead member of the consortium who will submit the bid and represent the consortium vis-à-vis the Contracting Authority;
- A description of the duties of each of the consortium members in the execution of the Contract.

Bidders who bid as a consortium shall bear unlimited joint and several liability to the Contracting Authority.

5.10 Variant bids

Variant bids are not allowed.

5.11 Validity period of bid

The validity period of bids cannot be shorter than **30 days** of the date of opening of bids.

If a shorter period is specified, the bid will be rejected due to a material deficiency. (*The validity period must be stated in the designated field in the Bid Form.*)

5.12 Requirements regarding mode and conditions of payment

The Contracting Authority shall make payments to the Contractor successively, upon receipt of invoices for the services provided.

The Contracting Authority shall not provide advance payments.

The time limit for payment cannot be shorter than 15 days or longer than 45 days, in accordance with the Law on Time Limits for Settlement of Financial Liabilities in Commercial Transactions.

5.13 Currency and indication and presentation of the price in the bid

The price in the bid may be specified in EUR .

The price shall be stated inclusive of all costs for the bidder in the execution of this public procurement.

For the purposes of bid comparison in the bid evaluation procedure, amounts shall be translated to dinars at the middle exchange rate of the National Bank of Serbia for the relevant currency in which the price is specified on the date of bid opening.

Payments to the bidder shall be made in the foreign currency specified in the bid.

Prices shall be quoted in the financial quotation.

The Contracting Authority shall not allow for price increases and the quoted price shall be final.

If it considers a price quoted in a bid to be unusually low, the Contracting Authority shall act in accordance with Article 92 of the Public Procurement Law, i.e. it will demand a detailed explanation for all elements of the invoice it considers relevant.

The bidder shall bear all costs of preparing and submitting bids.

The bidder shall present the costs of bid preparation on the relevant form, which is incorporated in the Tender Documentation and which the bidder is not required to complete and sign.

5.14 Requesting additional information or clarifications concerning bid preparation

An interested party may request additional information or clarifications concerning bid preparation from the Contracting Authority not later than 5 days before the expiry of the bid submission period.

Such interested party shall send any such request for additional information or clarifications concerning bid preparation to the Contracting Authority's address: Gordana Cvetkovic, gcvetkovic@serbia.travel, Aleksandra Dolapcev, adolapcev@serbia.travel, Jelena Bogdanovic, jbogdanovic@serbia.travel, working days (Monday-Friday), in the period from 7.30 to 15.00, with the

following subject line: Request for additional information or clarifications of the Tender Documentation for public procurement No. 09/2018.

Request for additional information or clarifications by phone shall not be allowed.

The Contracting Authority shall reply to such interested party in writing within 3 days of receipt and shall at the same time post such information on the Public Procurement Portal and on its website.

Communication in connection with any additional information, clarifications and replies shall be done in writing, i.e. by mail, by e-mail or by fax. If the Contracting Authority or the bidder provides a public procurement document by e-mail or by fax, they shall demand of the other party to confirm the receipt of such document using the same means, which the other party shall be required to do where this is necessary as evidence of service.

5.15 Information on ways in which information may be requested from bidders after bid opening and in which bidders and their subcontractors may be controlled

During technical evaluation of bids, the Contracting Authority may demand of bidders to provide additional explanations which will help it examine, evaluate and compare bids and may furthermore conduct controls of bidders and their subcontractors.

With the bidder's consent, the Contracting Authority may correct arithmetic errors identified during bid examination after the bid opening procedure. In case of any differences between the unit price and the total price, the unit price shall prevail.

If the bidder does not agree to such correction of arithmetic errors, the Contracting Authority shall dismiss its bid as unacceptable.

5.16 Technical evaluation of bids

After technical evaluation, only those bids that were submitted timely and full comply with the requirements set out in the Tender Documentation, i.e. bids which are considered appropriate and acceptable, will be taken into consideration. Inappropriate bids will not be taken into consideration and will be rejected.

5.17 Reasons for bid rejection

- 1) Belated submission
- 2) Materially deficient bid
- 3) Inappropriate bid
- 4) Bid restricts the Contracting Authority's rights
- 5) Bid imposes conditions on the exercise of the Contracting Authority's rights
- 6) Bid imposes conditions on the exercise of the bidder's rights
- 7) Bid exceeds the estimated public procurement value

5.18 Negative references

The Contracting Authority may reject a bid if it has evidence that, in the three years preceding the Public Call for Bids, the bidder:

- 1) Acted in violation of the ban imposed by Articles 23 and 25 of the Public Procurement Law;
- 2) Was responsible for distortion of competition;
- 3) Provided inaccurate data in the bid or unjustifiably refused to conclude a Public Procurement Contract after such contract was awarded to it;
- 4) Refused to provide the evidence and security specified in the bid.

The Contracting Authority may reject a bid if it has evidence that the bidder had not complied with its obligations under previous Public Procurement Contracts for identical supplies in the three years preceding the Public Call for Bids.

This evidence may be in the form of:

- 1) A final and enforceable court decision or a final decision of another competent authority;

2) A document evidencing perfection of security in a public procurement procedure or enforcement of contractual obligations;

3) A document evidencing the payment of liquidated damages;

4) Customers' complaints, if not addressed within the agreed period;

5) Report by a competent authority of any works that were non-compliant with a design or contract;

6) Notice of contract termination due to non-compliance with material elements of the contract given in the manner and under the conditions provided for by the law on contracts and torts;

7) Evidence of hiring persons not specified as subcontractors or consortium members to perform a Public Procurement Contract.

8) Other relevant evidence appropriate for the supplies in question relating to performance of obligations in previous public procurement procedures or under previous Public Procurement Contracts.

The Contracting Authority may reject a bid if it has a final and enforceable court decision or a final decision of another competent authority relating to a procedure implemented by another Contracting Authority or a contract concluded by another Contracting Authority if the supplies are identical.

5.19 Notifying the outcome of the procedure to bidders

The Contracting Authority must make a decision in connection with this public procurement within 10 days of public opening of the bids. A contract award decision will be posted on the Public Procurement Portal and on the Contracting Authority's website within three days of its passing.

5.20 Criterion and elements of the criterion for contract award

The most advantageous bid will be selected based on the "**lowest quoted price**" criterion, which will be assigned a score of 100.

This criterion will be evaluated on the basis of the total quoted price exclusive of VAT. The maximum score based on this criterion will be assigned to the bid with the lowest quoted price exclusive of VAT. All other bidders will be assigned a proportionately lower score and their bids will be ranked accordingly.

If two or more bids receive the same score, the more advantageous bid will be the one which states a longer payment period (as indicated in the Bid Form). If bids still receive the same score, the selection will be made by draw.

5.21 Motion for the protection of rights

A motion for the protection of rights should be submitted to the Contracting Authority, with a copy to the Republic Committee.

A motion for the protection of rights may be filed throughout the public procurement process against any action of the Contracting Authority, unless provided otherwise by this Law.

A motion for the protection of rights which challenges the type of the procedure or the content of the Call for Bids or the Tender Documentation will be considered timely if received by the Contracting Authority not later than seven days before expiry of the bid submission period, while in case of small value public procurement or qualification procedures such motion shall be considered timely if received by the Contracting Authority three days before the expiry of the bid submission period, regardless of the mode of their receipt, provided however that the person who submitted the motion had previously notified any identified defects and irregularities in accordance with Article 63 paragraph 2 of the Law and the Contracting Authority failed to remedy them.

A motion for the protection of rights which challenges actions undertaken by the Contracting Authority before the expiry of the bid submission period, but after the expiry of the period referred to in

paragraph 3 Article 149 of the Public Procurement Law, will be considered timely if submitted by the expiry of the bid submission period.

The provisions of paragraphs 3 and 4 of Article 149 of the Public Procurement Law shall not apply in case of bargaining procedures without a call for bids, if the person who submitted the motion or his related party did not participate in that procedure.

After the passing of a decision to award contract, a decision to conclude a framework agreement, a decision to recognise qualifications or a decision to terminate the procedure, the time limit for filing motions for the protection of rights shall be ten days of publication of the respective decision on the Public Procurement Portal, or five days in case of a small value public procurement or in case of a decision to awards a contract under a framework agreement in accordance with Article 40a of this Law.

A motion for the protection of rights may not challenge actions undertaken by the Contracting Authority in the public procurement procedure if the person who submitted the motion was aware or should have been aware of the reasons for filing such motion before the expiry of the period for making such motions in accordance with paragraphs 3 and 4 of Article 149 of the Public Procurement Law and the person had not filed the motion before the expiry of that period.

If a motion for the protection of rights is repeated in the same public procurement procedure by the same person, such motion cannot challenge any actions of the Contracting Authority of which the person who submitted the motion was aware or should have been aware at the time of filing the previous motion.

A motion for the protection of rights shall not stay the activities of the Contracting Authority in the public procurement procedure in accordance with Article 150 of the Public Procurement Law.

The Contracting Authority shall post notice of filed motions for the protection of rights on the Public Procurement Portal and on its website not later than two days of receipt of any motion for the protection of rights which contains the information required in Annex 3N.

A motion for the protection of rights shall be filed directly by e-mail to jbogdanovic@serbia.travel and vninic@serbia.travel during the working hours of the Contracting Authority, on weekdays (Monday through Friday) between 7:30 AM and 3:30 PM or by registered mail with receipt confirmation to the following address: National Tourism Organisation of Serbia, Belgrade, Cika Ljubina 8, with a designation of the supplies and the public procurement number. If a motion for the protection of rights is sent by e-mail, preferably this document should be provided as a scanned copy bearing the stamp and signature of the authorised officer of the bidder (the person who files the motion) and as a MS Word document, to enable more efficient handling of the motion by the Contracting Authority (without having to retype the claims made in the motion).

Fee amount

A person filing a motion for the protection of rights shall pay a fee in the following amount to the budget of the Republic of Serbia:

- 1) **RSD 60,000** if the motion for the protection of rights is filed before bid opening and if the estimated value is not higher than RSD 120,000,000.
- 2) **RSD 120,000** if the motion for the protection of rights is filed after bid opening and if the estimated value is not higher than RSD 120,000,000

protection of rights.

5.22 Time limit for execution of the Contract

The Contracting Authority shall execute the Contract within 8 days of the final date for filing motions for the protection of rights.

5.23 Termination of the Procedure

The Contracting Authority shall decide to terminate the public procurement procedure if all conditions for contract award within the meaning of the Public Procurement Law are not met.

In case of objective reasons it was not aware of and could not have reasonably been predicted at the time of initiation of the public procurement procedure and which prevent the initiated procedure from proceeding or which eliminate the need for the public procurement concerned, the Contracting Authority reserves the right to withdraw from the public procurement and pass a decision to terminate the procedure.

The Contracting Authority shall pass such decision to terminate the procedure in writing and shall post it on the Public Procurement Portal, on its website and on the portal of official journals, in accordance with Article 109 of the Public Procurement Law.
